"As Lenin's, with Trotsky, 'we have never been  
idle worshippers of formal democracy.' Surely  
we have never been idle worshippers of formal  
democracy. Nor have we ever been idle  
worshippers of socialism or Marxism a.k.a."

R. Luxemburg, Unconscious.

"The unconscious comes before the  
conscious. The logic of the historic process  
comes before the subjective logic of the human  
being to participate in the historic process."

R. Luxemburg, Democracy.

"This tendency [to centralization in SD, movements]  
springs from the economic makeup of capitalism  
it is essentially a centralizing factor."
