87. Ex. Soc. brings to light... the subjective choice by an
earliest person makes himself a person... makes
known to himself that he is.
14819 to Smoking
229/30 to Love

N279

// All desires and passions are specific expressions of the
fundamental necessities of man for relatedness, rootedness,
transcendence
they appear as independent -
but are only various aspects of the same. (cf. Rb/1)
