

- 5 existentialist final expression of decadentism in art
photography
- 12 Decadent activism
- 22 various images of man
- 24 Zeit - no selection
- 28 amorism
- 31 decadentistic morality of Japan - Heidegger: exaltation of the exception.
- 40 Personalism = moral
| Existentialism is amoral
| & self-existentialism - personalism is deceptive
- 41 Personalism can only be religion?
- 42 do we have personalism as far as one associates it
v. religionist = doctrine of natural law.
- 45 Secular personalism presupposes social conception
man is the key of the historical development of
man kind.
- 48/49 Heidegger: - Dasein concept of Heidegger
is social
- 51 Similarities between existentialism & Spinoza

- 53 Sartre = perfect incarnation of the decadent intellectual
- 56 Sartre's freedom = destruction - annihilative
- 59. He often reduces me to a thing
of looking at me, two reactions
are possible: either taking possession
of his freedom (love) or a difference

IV 4A

The problem of freedom: in fact freedom exists but man is little determined by instinct. But the human situation leads to inescapable situations, in some of which man becomes absolutely impotent. Sartre's statement = a bluff.
