Posted on February 25, 2015 | Comments Off

Meet the Librarians of the Oviatt is back! Meet **Felicia Yetzzen**, Oviatt's Online Instructional Design & Education Librarian. Felicia designs and develops online information literacy learning tools in Moodle as well as other platforms. She also provides reference, instruction, and orders library resources for Gender and Women Studies.

Where are you originally from? I grew up in a small town called Sparta, Illinois.

What do you like/admire most about CSUN students? I admire the fact that many of them come from such adversity to attend college.

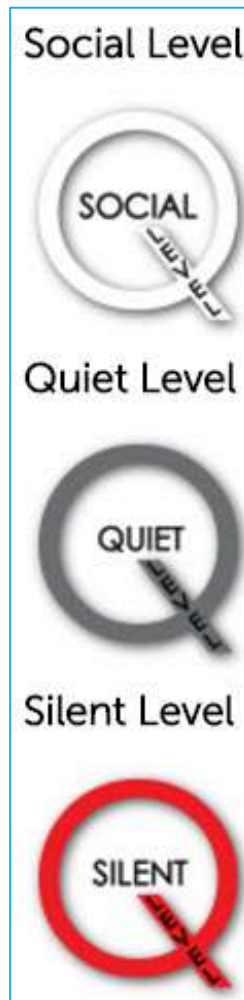

Live Chat: CSUN and non-CSUN librarians answer your questions 24/7

Text a Librarian: We now offer free text messaging reference services (standard message rates apply). Text us your questions at **(818) 900-2965**. Service hours Monday-Friday, 10am-5pm. [More about Text a Librarian](#)
