IST BookList

The catalog **BookList** allows you to search the book holdings of our library at IST Austria. Here you will find the items of our physical library - located on the third floor of the Central Building - as well as the books of each research group.

You can also look up several collections of e-books that you can easily download on campus.

If you want to suggest a book for the library, don't hesitate to use the Purchase suggestion tool. Your Library team will try to purchase the book for your use as soon as possible.

If you have any questions do not hesitate to contact the IST Austria Library team.
