type of publication

publisher DOI (if available)

publication title

subject area

publication date

OPUS-ID (filled out by the library)

***Please choose one of the following options - (A) or (B) - to provide your scientific publication and confirm your choice by signing p. 4.***

***In case of joint publications, all authors must fill out and sign a deposit license. Otherwise publication is not possible.***

### ***(A) Open access publication with a Creative Commons license via the OPUS publication server of the HWR Berlin***

For this option, under (A) § 1 up to and including § 3 and in the following § 6 up to and including § 8 apply.  
Please complete the information below and sign on p. 4.

### ***(B) University-internal publication via the OPUS publication server of the HWR Berlin (campus network only)***

For this option, under (B) § 4 up to and including § 5 and in the following § 6 up to and including § 8 apply.  
Please complete the information below and sign on p. 4.

## (A) Open Access publication with a Creative Commons license via the OPUS publication server of the HWR Berlin

immediate Open Access publication with Creative Commons license

Open Access publication under Creative Commons license with embargo until \_\_\_\_\_

### §1 Transfer of rights to the general public

The publication is available under the following free license (Creative-Commons-License):

Creative Commons attribution 4.0

<http://creativecommons.org/licenses/by/4.0/>  
**recommended license for open access publishing**

Creative Commons attribution, distribute under the same conditions 4.0

<http://creativecommons.org/licenses/by-sa/4.0/>

Creative Commons attribution, noncommercial 4.0

<http://creativecommons.org/licenses/by-nc/4.0/>

Creative Commons attribution, noncommercial, distribute under the same conditions 4.0

<http://creativecommons.org/licenses/by-nc-sa/4.0/>

Creative Commons attribution, no derivatives 4.0

<http://creativecommons.org/licenses/by-nd/4.0/>

Creative Commons attribution, noncommercial, no derivatives 4.0

<http://creativecommons.org/licenses/by-nc-nd/4.0/>

### § 2 Transfer of rights to the HWR Berlin

1. I assign the HWR Berlin - represented by the university library - the non-exclusive right, unlimited in time, to store the above-mentioned publication electronically and to make it accessible to others according to the chosen type of provision. The right applies to all known and all not yet known types of use.
2. I grant the HWR Berlin the right to make the document available for the purpose of making it accessible and for long-term archiving.
3. I grant the HWR Berlin the right to make the document available to other libraries, archives and, if applicable, aggregators within the framework of Open Access for the purpose of making it publicly available and for long-term archiving. This concerns e.g. the digital archive of the German National Library as well as other subject-related or regional repositories.

### § 3 Archiving Agreements

1. The uploaded publication is in PDF format. I allow the HWR Berlin to carry out necessary adjustments in appropriate electronic and physical formats. In the course of these adjustments, the HWR Berlin will not make any changes to the content.
2. I allow the HWR Berlin that the university library reproduces the standardized metadata sheet for my Open Access publication on the OPUS publication server of the HWR Berlin. I allow the HWR Berlin to make any formal additions and corrections to the metadata sheet.

## **(B) University-internal publication via the OPUS publication server of the HWR Berlin (campus network only)**

immediate digital publication within the campus network

digital publication within the campus network embargoed until \_\_\_\_\_

Access to the publication is only possible via the university's internal campus network.

Third parties are permitted to copy and store the work for private study and for their own scientific research. Public or commercial use and distribution of the work beyond the campus network is not permitted.

### **§ 4 Transfer of rights to the HWR Berlin**

1. I assign the HWR Berlin - represented by the university library - the non-exclusive right, unlimited in time, to store the above-mentioned publication electronically and to make it accessible to others according to the chosen type of provision. The right applies to all known and all not yet known types of use.
2. I grant the HWR Berlin the right to make the document available within the university in the campus network for the purpose of making it accessible and for long-term archiving.

### **§ 5 Archiving Agreements**

The uploaded publication is in PDF format. I allow the HWR Berlin to carry out necessary adjustments in appropriate electronic and physical formats. In the course of these adjustments, the HWR Berlin will not make any changes to the content.

**The following paragraphs apply to all signatories to this Deposit License:**

## § 6 Metadata

The metadata of the publication are available worldwide via interfaces for search engines and discovery systems.

## § 7 Statement on copyright and personal rights

I assure that as the author I have the copyright rights of use to all parts of the above-mentioned publication that concern me as the intellectual creator and that the publication does not infringe the rights of third parties, in particular the copyrights and personal rights of third parties. If alleged or actual violations of third-party rights are asserted, I will inform HWR Berlin immediately. I release the HWR Berlin from any claims by third parties.

## § 8 Privacy Statement

1. All personal data is processed by a processor, the Berlin-Brandenburg Cooperative Library Network (Kooperativer Bibliotheksverbund Berlin-Brandenburg - KOBV).
2. "[Data protection of HWR Berlin](#)" and the "[Regulations on data protection for the OPUS publication server of HWR Berlin](#)" (in German only) apply. Both regulations can be called up on HWR Berlin website or viewed in the university library
